FILE HEADING.

Visit of the Swamigalu of the Sri Puttige Matt at Udupi to Bangalore in 1911.

From The Swamigalu of the Sri Puttige Matt.

No.	Dated	Received	26. 10. 1911
Diary No. 626	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Says that he will come to Bangalore via Goddakallapur and requests that he may be accorded with honours as on the last occasion of his visit. Further requests that certain concessions may be granted to him as in former years which he pays to the Govt.

NOTES AND ORDERS.

File No. 228 of 1908 put up herewith shows what was done on the last occasion viz in Jany 1909. I told the Agent that as the last visit was quite recent the Swamiji might make this visit a private one. The Agent did not agree to this.

On the last occasion I was new to this office and heard my wife on precedents. Lately I now find that however high the rank of the Swami may be the Mayor is told and that are expected to meet. It is a question if a distinction may not be made between Malts which rank high and Malts which do not rank so high. In the present case it would perhaps be enough if the Amildar (or the Sheristadar as the Amildar unhappily is a Christian) meets the Swami.

As regards the other places which the Swami proposes to visit should she has once before been informed that she may make her own arrangements (vide file No. 357 of 1909 submitted herewith)

On the last occasion nothing was done when the Swami left Bangalore (Vide No. 228 of 1911) Similarly nothing seems to have been done when the Pejavar Swami left Bangalore. (Vide No. 193 of 1906).

On this occasion the Swami does not appear to have asked for any honours other than departed privileges.

Now the Swami wants to be sent off with the honours with which he was received.

This is a new one to me - On the occasion I distinctly remember that the coming was to be public & the departure private. In fact a Sanskrit saying was quoted to suit the occasion & I forget the exact words i.e. Enter like a King and depart like a thief. I do not know Abdulla is applicable to the Visit of the Swamis but am told that this is in reference to a Yogi's Chaturmasya and not to his arrival at, and departure from, a place.

The Sivaganga Swami and Sringeri Swami when they visited Bangalore last year and this year had a public arrival and a public

departure (Vide fils Nos. 626 ~~x~~ 9 & 333-10)

It seems true that if a transit is entered in a public animal he may if he chooses start his departure also the public. On that occasion the transit may be looked upon as having waived his right.

~~The rate~~ If this is conceded then the transit shall be the same as at the time of arrival. The question for consideration is whether the officer ought to take leave of the transit at the Chatham & come away from there as soon as he leaves or whether he ought to go with the transit's procession & then booked.

This has been made clear in the draft to the consignee transit but not in the draft (head of a transit draft) about the consignee transit. It was the impression that I was to return from the Chatham as soon as the consignee left; but instead I have to go up to the Yelahanka gate.

In this draft now submitted this point has been made clear. The transit will leave tomorrow probably.
